**Prayer requests:**

§ New openings of Dodoma, Morogoro and Sumbawanga. These are the areas that The Salvation Army has started its ministry recently and officers were sent last December to those vast towns of this country. Pray for great impact to the people who have joined The Salvation Army. Pray for more inspiration and transformation. Pray that our officers will be the light to those who live in darkness.

§ Pray for officers’ children and other children who have gone back to school in the beginning of this year, 2023, for more knowledge and protection from evil ones who would like to take advantage to exploit the lives of our children. Also pray for the disabled children of Matumain school as they begin the year and especially those who have come to school for the first time. Pray for those who take care of them to love and look after them with resilience.

§ Pray for our officers as they go through this difficult time post-Covid-19, and those facing food shortages in many areas of Tanzania due to drought caused by climate change.

§ Praise God as we experience growth in the territory and pray for the new souls which are won for Jesus in many areas of the territory.

§ Pray for the spirit of self-reliance as we keep on teaching our soldiers to own the church, for giving enough to sustain the ministry.

§ Pray for unity among the officers and the Soldiers of this territory considering that unity is power and united we stand and divided we fall.

§ Pray for our candidate conference and training taking place this month for more inspiration and motivation for the future ministry.

§ Pray for the new session of cadets who will be entering the training College next month of February, as they prepare their minds and spirit to enter their training. Pray for more resources so that the territory would be able to cater for them.
