Prayer Focus – 02- 08 October 2023

India South Western Territory

Territorial Leaders: Colonels John William and Ratna Sundari Polimetla

Prayer requests:

Points to praise God

§ The Territory has new leadership since May 2023 – Colonel John William and Colonel Ratna Sundari Polimetla

§ IFAS training in different levels, conducted by IHQ and implemented in the Territory.

§ Conference of Senior Leaders held 04 & 05 July 2023, enabled new leadership to understand better the territory.

§ Territorial Leaders undertook forty days of journey, visiting officers, soldiers and people in 310 corps, planting coconut saplings.

Territorial concerns for prayer

§ Movement of Officers, including Section Heads and senior leaders, to settle down to focus on goals and objectives already in place.

§ Self-Denial efforts have begun that funds would come as prayed and planned throughout the territory.

§ Better functioning of Governance system, by adhering to the regulations of committees and Councils, approved by THQ.

§ The training session for “Defenders of Justice” is progressing now on online mode and second year cadets’ visit college only for a week for special classes and examinations.

§ There will be no training session next year, due to no candidates prepared for training and territory tries hard to have candidates for 2025 session.

§ The health issues of both active and retired officers, that they continue to live healthy and serve as much as they can.

§ Caste system is alive still, though we try various ways to mitigate and eliminate. This brings a huge negative impact for administration in all levels of our ministry.

§ Projects have not been completed, due to issues related to obtaining Government permission for construction.

§ Training for Corps Helpers who need Salvation Army discipline in worship, uniform wearing, sacramental teaching, orders and regulations.

§ To utilize the assets of the Army and to reduce risks that we maintain the reputation of the Army.

§ More evangelical campaigns to strengthen the corps and to plant more Corps for which Evangelist and Corps Growth officer is appointed.

§ Financial Training to happen shortly to teach corps officers and institutional officer how to handle cash books and adhere to Government compliances with FCRA regulation.
