Christmas Entry

At Easter time we celebrate Jesus’ “Triumphant Entry” into Jerusalem. We can also celebrate a “Triumphant Entry” at Christmas time. What else could you call Jesus’ entry into the world. It is nothing short of miraculous, supernatural, another of the unfathomable mysteries of God. It was truly triumphant.

Hundred of years before that first Christmas morn, the prophets foretold our Saviour’s birth, and everything was just as it was prophesied; the virgin birth in David’s city. Nobody could alter what God had put in place. It was truly triumphant entry.

We cannot put three cups of water in a two cup measuring cup. Yet God was able to put Deity into humanity. To encase omnipresence into fleshly roves. To place eternity into time. He who gave birth to all things came into this world through birth pains. Great mystery surrounds our Saviour’s birth even today. Yet it was truly a triumphant entry.

So let us join the victorious cries. “Emmanuel, God with us, living in us.” Let’s join the angels’ praises, “Glory to God in the highest, and on earth peace to men on whom His favor rests.” (Luke 2:14)
