Please Join for refreshment in the gym after the service

Farewells are never easy especially when you love the people you serve, minister and work with. But the reality is "farewells and goodbyes" made life and our relationships more meaningful. I am sure it was not easy for Jesus to say goodbye to His beloved disciples. In His farewell discourse, Jesus gathered around the table and spoke the most important words in the gospel of John 13-17. It is in this Farewell Discourse that we see our Lord's heart for His children and His plan for our salvation. It was not an easy task, but it was the necessary one to fulfill God's plan and mission for the whole world. Similarly, each one of us are given a task and a ministry to do and I have witnessed in my time here how faithful you are to your call to serve the Lord in your church. Sometimes your strength and resilience encouraged me to keep going in my deepest moments of pain and grief.

Today first of all, I just want to say a **BIG THANK YOU** to you for giving me the opportunity to serve alongside you to make St. Catharines Corps an amazing place to work and serve the Lord, where love of Christ shines brightly. Secondly, I want to officially say Goodbye as you might have heard the news. My family is relocating to Edmonton, AB in the summer. So, in preparation for our move, God has blessed me with an opportunity to serve in the Edmonton Center of Hope as the Spiritual Care Manager. After much prayer, tears and discernment, my family and I have decided to accept this offer. It was not an easy decision but a necessary one. I am excited to continue to serve the Lord through the most important ministries of the salvation army. My email remains the same so if you have any questions or need to say hi, please do not hesitate. I will dearly miss you all.

Much love- Rose Amer
